

Mid Year Impact Report

Community Life Church

Lead Pastor, Scott Veroneau

Thank you! Thank you! Thank you!

Psalm 107:1 "Give thanks to the Lord, for he is good; His love endures forever!"

As we cruise past the mid-point of 2025, I recognize that God has been on full display throughout the ministries of Community Life Church. It would be easy not to stop and acknowledge the great work that has been accomplished in such a short amount of time. Thanks to the faithful support of our congregation through giving and serving, Community Life Church has been able to impact and reach this world, both locally and internationally.

The goal of this impact report is to give you a sense of your church in action. I ask myself daily if Community Life is connecting people to Jesus. I truly believe that we are. This data constitutes some of the metrics we use to measure our effectiveness.

Thank you for loving God, loving your neighbor, and for wholeheartedly sharing in the mission of Connecting People to Jesus, the source of life.

Debt Reduction Update

Over the past few years, God has blessed us with opportunities to expand our ministry space and impact. With those blessings came financial commitments in the form of facility loans. While these resources have helped us reach more people than ever before, we believe it's time to focus on reducing our debt—not just to relieve a financial burden, but to free up more resources for ministry.

Current Debt: \$2,551,753.10

Payments Made This Year: \$173,845.10

Looking Ahead

At Community Life Church, we hope to see people connect to God's greater story. With a mission of loving God, loving our Neighbor, and connecting people to Jesus, we desire to build strong foundations of discipleship while empowering every believer to find their greater purpose. Our commitment is to walk alongside each person in this process with the hope of seeing transformation in our community and this world.
